Virtual Homes Real Estate Continues to Grow with the Addition of 5 Experienced Agents

We are happy to welcome them to our team!

**Don
Bernier**

“Virtual Homes is a growing company, has a strong and accessible management team, and provides the tools for a successful real estate career.”

**Suzanne
Lynch**

“The technological support here is outstanding. . The training has been, although a little overwhelming at times, incredible.”

**Buddy
Pope**

“The education at this company is head and shoulders above the competition with tech training, blogging strategies, personal websites and video marketing.”

**Judy
Plant**

“The greatest asset any office has is the people who work there. Management stays involved and the staff is polite, respectful and happy to help. Believe me this is not something that every office has.”

**Marie
Stanger**

“If you are new to the business the leads program is a great way to begin. As to seasoned agents this company offers technological tools and administrative back-up at a high level.”

Virtual Homes is a residential real estate company that believes consumers value direct, personal working relationships with knowledgeable and experienced agents. Our staff and local agents focus on establishing confidence, trust, and offering client level services representing your best interests.

Our company provides cutting edge technology and innovative strategies that compliment the proficiency of our agents who offer exceptional customer service. Visit the Virtual Homes Real Estate portal at www.virtualhomes.com for all your real estate needs.
